Thursday & Friday, 8 AM to 5 PM

Set Up Your Online Member Account

JUST FOLLOW THE STEPS BELOW TO CREATE YOUR ACCOUNT:

STEP 1: Go Online

Go to NHhealthyfamilies.com

Two ways to begin:

Click on **“Login”** at the top of the page.

Or

- Click on **“For Members”**
- Select **“Medicaid”** in the drop down
- Click on **“Secure Portal Login”** in the left tool bar.

- Under **“I am a:”** select **“Member”**

- Under **“My Plan is:”** select **“Medicaid”**

- Hit **Submit** button. This will take the member to the portal login page.
- Click on **“Sign Up Now”** button.

STEP 2: Enter Your Information

Fill in your birth date and member ID number (on your ID card). Then click **Find Member**.

Choose your **preferred language** and fill in answers to your **secret questions**. If you forget your password, these secret questions can help you access your account. Click the **Submit** button.

STEP 3: Register Your Account

STEP 4: Verify Your Account

What is the Primary Care and Prevention Focused Care Model (PCPFCM)?

Your Primary Care Provider (PCP) relationship is important to your overall health. Our new PCPFCM creates a “dynamic duo” between you and your primary care provider in your quest to be a Health Hero. Your PCP in consultation with you, will assure that you get the care you need when you need it. The more your primary care provider gets to know you, your family, your medical circumstances and individual needs and preferences the better your overall care will be.

Provider-Driven Care Coordination

The PCPFCM encourages you to see your PCP regularly even if you are not sick. This approach will support you as a whole person, assist with coordinating your care, and make available appropriate screening test and visits designed to keep you healthy, address barriers to staying healthy, such as housing or food challenges, and support a high quality of life and health for you and your family.

How to Get Started

Prevention is the key to living a healthy and happy life and you can unlock that door with your PCP. Be a Health Hero today and follow these simple steps to getting and staying healthy.

- Make sure NH Healthy Families knows who your PCP is. If you do not have a PCP, contact us and we will help you find one.
- Contact your PCP to schedule an annual wellness visit or let us help you make an appointment.
- Complete a Health Risk Assessment (HRA) screening with your PCP or bring it with you to your wellness visit. There is one right here in your welcome packet.
- New to NH Healthy Families? Let us call you and welcome you to the plan. We can help you select a PCP, schedule a wellness visit, and complete an initial HRA screening. It only takes 15 minutes!
- Are you already a valued member with NH Healthy Families? Give us a call to get help on selecting a PCP, scheduling a wellness visit, and completing a HRA screening.

Remember, having a PCP is one of the most important health care decisions you can make. Your PCP is your starting point for getting the care you need and keeping you healthy. Your PCP has a view into all the care that you need and who is best to provide that care including important screening tests needed to stay healthy.

In good health,

A handwritten signature in black ink that reads "Samuel M. DiCapua, DO." The signature is written in a cursive style.

Sam DiCapua, DO
Chief Medical Officer, NH Healthy Families

Care Management Support

NH Healthy Families understands you may need assistance navigating the healthcare system. We offer care management services to assist with scheduling appointments, arranging for transportation, housing, and connecting you with community resources such as food stamps, utilities, and support groups.

Care Management is available for all participants. You or your doctor can refer for care management services. You will be assigned a primary care manager who will contact you through the method of communication you prefer, at a time you choose as well. Your care manager will work with you, your PCP, all of your other providers, your family and caregivers, and other health insurance you have to make sure that you get all of the services that you need. We will develop a plan of care and share this plan with your PCP or provider(s). The plan of care has goals for you to work towards. There is no fee or charge to your participation, and you can choose to dis-enroll at any time.

Our Care Managers are registered nurses, behavioral health clinicians or social workers. They help our members understand major health problems and assist in arranging members' health care needs. Care Managers work with members and their providers or doctors to help identify barriers and support the provider's plan of care. We also will provide support to your caregivers and family members taking care of you if needed.

Members enrolled in care management often see several doctors. They may need medical supplies or help at home. NH Healthy Families' Care Managers can assist members in coordinating aspects of their care. Members enrolled in Care Management often have conditions such as, Organ Transplants, Cancer, Hemophilia, Depression, Bipolar Disorder, Autism, and/or Breathing Problems.

Your care manager will also help you when you are leaving the hospital or other short-term medical setting to make sure you get the services you need when you get home. These services may include home care visits or therapies. If you need help with any part of your health care services or with connecting with another state or local program, please call your care manager or Case Management Department at **1-866-769-3085**.

In addition to Care Managers, NH Healthy Families has Coordinators who specialize and work with Care Managers in coordinating care. These coordinators are dedicated to the following issues: Developmental Disabilities, Special Care Needs, and Housing Needs. Through our Transition Services program, Coordinators also contact members who have admitted or readmitted to acute care hospitals to make sure you have a successful transition back into the community.

Sincerely,

Joann Kavana, MHA, BSN, RN, CCM
Senior Director, Population Health & Clinical
NH Healthy Families

Be a Health Hero

Take charge of your health!

Having a Primary Care Provider (PCP) is one of the most important health care decisions you can make. Your PCP is your starting point for getting the care you need and keeping you healthy. Many of the rewards* you can earn happen regularly at your wellness visits with your PCP. They can identify any risks to your health and determine any testing you will need to stay healthy and avoid certain conditions.

Any member, any age can be a Health Hero! The following pages contain information on:

ADULT HEALTH HERO

PREGNANT & NEW MOM HEALTH HERO

YOUNG CHILD HEALTH HERO

YOUNG ADULT HEALTH HERO

BEHAVIORAL HEALTH HERO

DIABETIC HEALTH HERO

HEART HEALTH HERO

It's easy to earn My Health Pays®* reward dollars. And you decide how to use them!

Get Started!

Take charge of your health and be a Health Hero! Having a Primary Care Provider (PCP) is one of the most important health care decisions you can make. Your PCP is your starting point for getting the care you need and keeping you healthy. Many of the rewards* you can earn happen regularly at your wellness visits with your PCP. They can identify any risks to your health and determine any testing you will need to stay healthy and avoid certain conditions.

FUTURE IS NOW

What is the Future Is Now program?

As a young person nearing the end of your teenage years, becoming an adult can be a difficult and scary process. The NH Healthy Families Care Management team has developed the Future Is Now program to help youth ages 15 - 17 years with the transition into adulthood.

The program consists of three education modules, each providing education and resources for life skills, health care, finances and more. If you desire to obtain the knowledge and skills to prepare for all that life entails, this program is for you.

Get rewarded* for participating!

As an added bonus, you will receive a My Health Pays^{®*} reward for completing each module. \$50* for each module completed, up to \$150* for completing all three. Rewards will be added to your My Health Pays^{®*} Visa[®] Prepaid Card** the following month that a module was completed. Modules do not have to be completed in any particular order or within a certain time frame. This is a once per lifetime reward of up to \$150.*

Once a module is completed, NH Healthy Families will add the My Health Pays^{®*} reward dollars directly to your Visa[®] Prepaid Card**.

The My Health Pays^{®*} reward dollars can be used at Walmart to purchase everyday items*** or to help pay for things such as a cell phone bill, rent and more.

For more information or to enroll in the program, call 1-866-769-3085 and ask to speak with a Member Connections Team Representative. You can also send an email to NHHFcaremanagement@centene.com.

*Some restrictions and limitations apply. Each member can earn up to \$250 in cash and non-cash goods and services through June 30 each year.

**This My Health Pays[®] Visa[®] Prepaid Card is issued by The Bancorp Bank, N.A. pursuant to a license from Visa U.S.A. Inc. The Bancorp Bank, N.A.; Member FDIC. Card cannot be used everywhere Visa debit cards are accepted.

***This card may not be used to buy alcohol, tobacco, or firearms products.

WHAT IS A MENTAL HEALTH (MH) C.H.A.M.P.?

A MH C.H.A.M.P. is someone who takes action to raise awareness of mental health and challenge stigma. They are committed to promoting good mental health and helping others to do the same. Any action, big or small, that a MH C.H.A.M.P. takes to address and support mental health – helps to end stigma and raise awareness.

WHAT'S INVOLVED?

Show us how you are a MH C.H.A.M.P. by demonstrating one or more of the actions:

Communicate – Stay connected by talking to others. Learn about communication skills at verywellmind.com.

Help yourself – Seek help to make yourself feel better by going to therapy, talking to friends who understand, or joining a group in your area.

Achieve a wellness goal – Think about what interests you and what you need. Then, set a goal for your well-being.

Make a commitment to learn – Attend a training, session, program, or webinar about mental health.

Promote MH resources – Spread the word about programs and resources that help with mental health.

Open to anyone of any age. *NH Healthy Families members only can qualify for reward**. For more information call **1-866-769-3085** or visit: nhhealthyfamilies.com/members/medicaid/benefits-services/mental-health-champion.html

*Some restrictions and limitations apply. Each member can earn up to \$250 in cash and non-cash goods and services through June 30 each year.

**The PCP must submit a claim for the HRA completion to qualify for the reward.

Where to Go for Care

Consider all of your options when choosing where to go for physical or behavioral health care. Many are surprised to learn that this is often not the ER. Be prepared by knowing the best place to go depending on your physical or behavioral health condition.

The right care, the right place, the right time

▼ For Physical Health

Primary Care Provider (PCP)

Your PCP is your main provider. Call the office to schedule an appointment if you need to be seen, but you don't need immediate care.

If you need help finding a PCP for you or a loved one, contact Member Services:
1-866-769-3085.

24/7 Nurse Advice Line (1-866-769-3085 and follow prompt)

You can speak to a medical professional any time of day for:

- Help with answers to your medical questions
- Help caring for a sick child
- Help knowing if you should make an appointment with a Primary Care Provider

In-Network Urgent Care Center

Go to a nearby urgent care center if your illness or injury is not life threatening and your PCP is unavailable. Urgent care centers are faster and more convenient than the ER and you don't need an appointment.

Emergency Room (ER)

Consider all of your options before going to the ER. Visit the ER for LIFE-THREATENING injuries or illnesses.

▼ For Behavioral Health

Primary Care Provider (PCP) or Behavioral Health Provider

Call the office to schedule an appointment if you need to be seen, but you don't need immediate care.

If you need help finding a PCP or Behavioral Health Provider for you or a loved one, contact Member Services: **1-866-769-3085.**

New Hampshire Rapid Response Access Point (NHRRAP)

Call, Text, or Chat **1-833-710-6477** for behavioral health crisis services, available to anyone in New Hampshire. Depending on your needs, the crisis contact center can:

- Send a team member from a community mental health center to come to you
- Provide rapid response follow up appointments
- Refer you to inpatient treatment options

988 Suicide and Crisis Lifeline

The **988** Suicide & Crisis Lifeline provides free and confidential emotional support to people in suicidal crisis or emotional distress 24 hours a day, 7 days a week, across the United States. Call, text or chat **988** to be connected to a trained crisis counselor.

Your local Doorway

For substance misuse needs: Call **211** to be directed to help

Emergency Room (ER)

Consider all of your options before going to the ER. Visit the ER for LIFE-THREATENING injuries or illnesses.

Urgent Care Versus Emergency Room (ER)

When you have an illness or injury that is not life-threatening, you don't have to use the Emergency Room (ER). You have other options. You should first try to visit your Primary Care doctor. If that is not possible, an Urgent Care center might be the right choice for you.

Urgent Care Centers are faster and more convenient than the ER.

Average wait time:

15-45
MINUTES

You don't need an appointment at an Urgent Care center. Most Urgent Care centers have extended night and weekend hours.

You can be treated for the most common illnesses and injuries at Urgent Care centers.

Urgent Care centers treat things like:

- Strep Throat
- Ear Infections
- Conjunctivitis
- Cold Symptoms
- Flu Symptoms
- Upset Stomach
- Urinary Tract Infections
- And more...

EMERGENCY ROOM

Average wait time:

2.5
HOURS

The ER should be used if a medical condition is life-threatening or involves severe wounds.

When you need an ER:

- Signs of heart attacks, including chest pain
- Signs of stroke, like sudden onset of numbness in the arms or legs
- Severe shortness of breath
- Poisoning
- Major life- or limb-threatening injuries
- Severe wounds and amputations
- Coughing up or vomiting blood
- Suicidal or homicidal feelings

If symptoms arise suddenly and you believe that a life is in jeopardy, call 9-1-1.

Non-Emergency Transportation

Remember: Use Family and Friends or Public Transportation First!

Helping you get to your non-emergency medical appointments is important to us. There are three easy ways you can access transportation.

1. Family and Friends Transportation Reimbursement

Use this option if you have a car, or when a friend or family member with a car can drive you to your medically necessary appointment. Receive reimbursement for gas, parking and tolls. Here's how it works:

- **Family and Friends Transportation Reimbursement will be provided by Medical Transportation Management, Inc. (MTM) through the MTM Currency program.**
- **Before your appointment, call MTM at 1-888-597-1192 to schedule your transportation reimbursement trip**
- **Watch the mail for your Focus Card™ Cardholder Packet.** For security, the packet will come in a plain white envelope. The envelope will have an Indianapolis, Indiana return address. Do not throw the packet away. This could delay receiving funds.
- **Use a Trip Log to track your travel.** MTM will send you a Trip Log or you can print and download a log at www.mtm-inc.net/mileage-reimbursement. Enter your zip code to find the correct log. Complete the log and have your provider sign it for each appointment. Once you submit your log (you have 60 days to submit), MTM will verify the information. Funds will be loaded to your Focus Card™ after your trip is verified.

Send your completed log to MTM in one of three ways:

Mail: Medical Transportation Management, Inc.
Attention: Trip Logs
16 Hawk Ridge Drive
Lake St. Louis, MO 63367

Fax: 1-888-513-1610

Email: payme@mtm-inc.net

2. Public Transportation

- Before your appointment, call MTM at **1-888-597-1192** to schedule your public transportation trip
- MTM will add funds to your Focus Card™ for your pass or ticket in advance of your trip. Use these funds to purchase your fare online or at a local transit depot.

For more information contact Medical Transportation Management, Inc (MTM) at **1-888-597-1192**.

3. Contacting MTM for a ride

If you are exempt from using Public Transportation or Family and Friends Transportation Reimbursement, you may contact MTM for a ride.

Here's how:

Three business days before your appointment, call **1-888-597-1192** for MTM. Share the date and time of your appointment and a ride will be scheduled for you.

Be sure to save your card for future trips. This is not a one-time use card. New funds will be loaded as you take more trips.

To schedule transportation to provider offices or facilities for services provided directly by NH Healthy Families, call MTM toll-free at **1-888-597-1192 (TDD/TTY: 711)**.

For more information, contact NH Healthy Families Member Services at **1-866-769-3085**, Monday through Wednesday, 8:00 a.m. to 8:00 p.m. and Thursday through Friday, 8:00 a.m. to 5:00 p.m.

Rules and Exceptions to Using the Family and Friends Transportation Reimbursement or Public Transportation

Exceptions to the Family and Friends Transportation Reimbursement Requirement

- You must use Family and Friends Transportation Reimbursement if you have a car, or when a friend or family member with a car can drive you to your medically necessary service
- If you have a car and do not want to enroll in the Family and Friends Program you must meet one (1) of the following criteria to qualify for transportation services:
 - Do not have a valid driver's license;
 - Do not have a working vehicle available in the household;
 - Are unable to travel or wait for services alone; or
 - Have a physical, cognitive, mental or developmental limitation
- If no car is owned or available, you must use public transportation if you meet one (1) of the following criteria:
 - You live less than one half mile from a bus route and your provider is less than one half mile from the bus route;
 - You are an adult under the age of sixty-five (65)

Exceptions to the Public Transportation Requirement

- If you have two (2) or more children under age six (6) who are traveling with you; or
- If you have one (1) or more children over age six (6) with limited mobility who are accompanying you to the appointment; or
- If you have at least one (1) of the following conditions:
 - Pregnant or up to six (6) weeks post-partum;
 - Moderate to severe respiratory condition with or without an oxygen dependency;
 - Limited mobility (walker, cane, wheelchair, amputee, etc.);
 - Visually impaired;
 - Developmentally delayed;
 - Significant and incapacitating degree of mental illness; or
 - Other exception by provider approval only

Expanded Transportation

NH Healthy Families offers certain members in care management access to transportation for social health needs and recovery services. For more information, contact your care manager or our Member Services department for assistance!

Please Note: Interpretation services are provided at no cost to you. This includes American Sign Language and real-time oral interpretation. We can also provide Auxiliary Aids and services or materials in other formats such as Braille, CD or large print. If you need something translated into a language other than English, please call us at **1-866-769-3085 (TDD/TTY: 1-855-742-0123)**. If you need an interpreter for your medical appointment, contact us 48 hours before your appointment.

If you are currently taking prescription medication, it may require a prior authorization from NH Healthy Families before your next refill. Call your PCP or NH Healthy Families Member Services to find out if your medicine is one that does require authorization. You can also check the Preferred Drug List on the NH Healthy Families website, [NHhealthyfamilies.com](https://www.nhhealthyfamilies.com) under Benefits and Services/Pharmacy.
